

Stop TB Partnership Announcement - 15 September 2018

**OUT NOW**

**Political Declaration on TB**  
ready for approval at the  
**UN High-Level Meeting on TB**

**15 September 2018, Geneva** - The Political Declaration on the Fight against Tuberculosis (TB) which will be endorsed at the UN High-Level Meeting on TB was made public in New York, following the conclusion of a second silence procedure period.

The UN HLM on TB will take place on 26 September in New York.

Click [here](#) to read the full Declaration. The text of the Declaration is also available on the official website of the President of the United Nations General Assembly.

The Stop TB Partnership and its partners will make formal and detailed comments, and provide communication materials concerning the Declaration, early next week.

In the meantime, please address any queries to [unhlm@stoptb.org](mailto:unhlm@stoptb.org).

***See you all in New York on 26 September.***

***Let's do this!***

For additional information on the UN HLM, please visit the website of the President of the General Assembly: <https://www.un.org/pga/72/event-latest/fight-to-end-tuberculosis/>.
